

Frequently Asked Questions (FAQ)

Trustmark Life+LTC

1. What is Life+LTC Insurance?

You could need Long-Term Care (LTC) because of an accident, illness, cognitive impairment or simply due to aging.

This plan is designed to help you and your family plan for the high cost of Long-Term care and combines the benefit of life insurance. You WILL receive a benefit, either for LTC, Life Insurance, or both.

2. How does the plan benefit work?

Choose a life insurance benefit and you will receive a monthly LTC Benefit of 4% of the life insurance benefit in the event you are approved for an LTC claim.

3. Does the plan's benefit decrease?

The death benefit will decrease to 1/3 of the original face value at age 70 or after 15 years, whichever is greater. Your LTC benefit does not reduce.

4. What happens if I use all the benefits for LTC, do I receive a death benefit?

Yes. This policy has Restoration of Benefits - Restores the death benefit to the current death benefit value (at age 70 or after 15 years this would be the reduced death benefit).

5. What happens if I never need LTC and don't use the LTC benefit?

Your beneficiary will receive the death benefit upon your death.

6. Does my premium increase as I get older?

Premiums are based on the age at which you apply for coverage. They do not increase each year as you get older. Insurance companies do reserve the right to increase rates.

7. When does the plan benefit end?

You pay premiums until policy endows (age 100 if requested premiums paid through life of policy). Pays out the cash value (minus any loans) not the death benefit. Cash value should be equivalent to the death benefit.

8. What if I stop paying the premiums?

If you have some cash build up in your policy, then you can use that to continue to pay your premiums. Once that is exhausted your policy lapses and you have no plan benefit. If you don't have cash build up and stop paying premiums, then your plan benefit lapses, and you have no life or LTC benefit.

9. How do I trigger the plan LTC benefit?

When you need assistance and are certified by a physician as needing assistance with 2 out of 6 Activities of Daily Living (ADL's) or you are diagnosed with cognitive impairment after the first 90 days. The ADL's are bathing, eating, transferring, toileting, continence and dressing.

10. Can my spouse apply for coverage?

Yes – eligible spouses can apply for coverage.

11. Does my spouse have to submit their own application?

Yes, first the employee must list the spouse as a dependent on their application on the enrollment website. Once the spouse is added as a dependent, coverage can be selected, and an application completed.

Frequently Asked Questions (FAQ)

Trustmark Life+LTC

12. How do I know my application was submitted?

You must download and print the 'Enrollment Verification' after signing

13. Can I maintain this policy if I am no longer employed by my current employer?

Yes, the Trustmark policy is portable by paying your premiums directly to Trustmark. As long as you continue to pay your premiums, your coverage will remain in force. The rate does not change when you leave employment.

14. How long has Trustmark been in business?

Trustmark has been in business since 1889
